

GIVE ONE AND GET ONE - PART 2/2

Follow these steps, please:

- In the story we hear about arranged marriage. Find 5-10 facts and write it on your worksheet. In one column you have “Give facts” and in another column you have “Get facts”.
- Find your facts on the Internet about arranged marriage and in what countries - other than China - they use it even today.
- Play “Give one and get one” with your facts. Walk around with your worksheet. Give and get new facts.
- Sum up in class on the pros and cons about arranged marriage:
 - What are the advantages/disadvantages of arranged marriage?
 - What would you do, if your parents could choose who you had to marry?
